Dear Counsel:

You are receiving this letter because your firm has been designated as an ordinary course professional, or “OCP”, under the order entered by the Bankruptcy Court in the chapter 11 cases of Residential Capital, LLC and certain of its direct and indirect subsidiaries (collectively, the “Debtors”) on July 17, 2012 (the “OCP Order”) authorizing the Debtors to employ and pay law firms used in the ordinary course of their business, subject to certain terms and conditions. A copy of the OCP Order is attached for your reference.

Also attached is a copy of an order entered last week by the Bankruptcy Court raising the monthly and case payment caps for OCPs under the OCP Order. Effective as of September 1, 2012, the caps are now \$75,000 per month (the “OCP Monthly Limit”) and \$1 million for the duration of the Debtors’ bankruptcy cases (the “OCP Case Limit”).

As was the case prior to the amendment, in the event that, for a given month, your firm seeks an amount greater than the OCP Monthly Limit, then pursuant to the interim compensation procedures order entered in the Debtors’ cases (also attached for your reference), you will be required to submit monthly invoices to the “Notice Parties” designated under the interim compensation procedures order and file a fee application with the Bankruptcy Court with respect to such month for the full amount of your firm’s fees and expenses in accordance with sections 330 and 331 of the Bankruptcy Code.

In the event your firm reaches the OCP Case Limit, you will be required to file a retention application with the Bankruptcy Court pursuant to section 327 of the Bankruptcy Code.

To the extent your firm has submitted a monthly invoice for payment of amounts in excess of \$50,000 but less than \$75,000 for September 2012 or any months thereafter, those excess amounts have been retroactively approved and you do not need to file an interim fee application.

Please do not hesitate to contact us with any questions or concerns.

Regards,

A handwritten signature in blue ink that reads "Lauren Delehey".
